ACKNOWLEDGEMENT

This research study is conducted on the topic “A study on premium collection, Investment pattern and Returns” as a partial fulfillment of the requirement of the degree of Master of Business Studies (MBS) from Tribhuvan University. The main contribution of the study lies in explaining and exploring the facts prevailing in the present situation at premium collection, investment pattern and returns relation to NLIC co. ltd. In addition, this study will enhance the existing investor’s knowledge and gives framework for the new investors. Furthermore, it helps the insurer, insured, investors and stakeholders, mainly, the investors who are interested in insurance market.

For the valuable guidance throughout the study period, firstly, I express my gratitude towards my respected supervisor Associate Professor Dr. Shilu M. Bajracharya of the Shanker Dev Campus. This study couldn’t be possible in time without her profound suggestions and motivation. I also thank Mr. Manoj Kumar Bhattarai and all staffs of NLIC for their kind cooperation in providing the necessary data and information. I am also grateful to the staffs of libraries of Shanker Dev Campus and Tribhuvan University library for their cooperation in providing required materials and information’s.

Finally, debt of gratitude is to my parents, friends and colleagues for their outstanding encouragement to conduct this study.
