ACKNOWLEDGEMENTS

I would like to express my deepest gratitude to my respected teacher Dr. Tulsi Ram Pandey who was most co-operative and encouraging towards my effort to prepare this thesis. This study would not have been completed without his supervision and guidance. I would like to thank Dr. Om Gurung, Head of Sociology/Anthropology Department, TU Central Campus, Kirtipur for accepting this study. And also to my external supervisor, Dr. Laya P. Upreti, who was very helpful by providing comments and suggestions.

My heartfelt thanks also go to the Managing Director of Websoft International Pvt. Ltd., Mr. Ian A. Alsop, for encouraging me to conduct the research at Jobsnepal.com. I am very grateful to the registered jobseekers of Jobsnepal.com and the staffs of Websoft International Pvt. Ltd. I would also like to extend my thanks to my parents for care and support in pursuing further studies.

I am also thankful to my colleagues Mr. Naresh Tamrakar and Mr. Rajid Shrestha for support during data collection. I would like to thank Mr. Raju Maharjan, my husband, in particular, who was always with me during my thesis period providing continuous support and encouragement.

Last but not the least; I am really indebted to all of them who had supported me to complete this work.
