ACKNOWLEDGEMENTS

This dissertation is submitted the Central Department of Population Studies, Faculty of Humanities and Social sciences, Tribhuvan University for the partial fulfillment of master's degree in Population Studies. This study is carried out under the supervision of **Dr. Govind Subedi** Associate Professor of CDPS. This study would have been incomplete without the continuous inspiration and guidance of my supervisor.

Similarly, I would like to express sincere gratitude to **Dr. Prem Singh Bista**, professor and Head of the Department for his kind acceptance in carrying out this study. I am very much thankful to other lectures of CDPS whose suggestions helped me in completing this work.

Likewise, I would like to thank all the staff of Tribhuvan University Central Library and all staff of CDPS. Similarly, I would like to extend my sincere thanks to CWIN.

Finally, I am grateful to all the respondents who sincerely co-operated and provided their valuable opinion during interview.

Kul Bahadur Bohara
