ACKNOWLEDGEMENTS

Any research work needs efforts of many people and this research is not an exception. I would like to express my sincere gratitude to my respected Teacher Mr. Jay Ram Devkota for his thorough guidance and insightful ideas. The undertaking of research would not have been possible without his help and encouragement through the study period.

I am thankful to all the respondents who have provided important information during my field survey work. Employees of Nepal Stock Exchange, Centre Library, Makawanpur Multiple Campus Library and Department of Management are my immensely and provided me with easy access to their vast library resource without which my research work would have incomplete. I am thankful to my friend Mr. Pradip Raj Pant for the help in collecting primary data from the Kathmandu based respondent and his technical support in information collection, tabulation and interpretation of the research data.

I am especially indebted to Dr. Chandra Kumar Sen for his comprehensive support and feedback to finalize the research report and would like to gratefully acknowledge the help and support that I have received from my colleagues and seniors from Plan Nepal while undertaking this research work.

Last but not least, I am greatly indebted to my wife Ms. Sharada Pandey for her support and encouragement during my study without which this report would have not come in this form and quality.

I am alone responsible for any shortcomings of this research work.
