ACKNOWLEDGEMENT

This Thesis is for Master's Degree in Business Studies (M.B.S) undertaken at T.U of Nepal. For this I gained lots of guidelines and suggestions from my teachers, friends, other Company's officials and my family. I wish to express my sincere and deep gratitude first and foremost to my respected supervisor Mr.Bishnu Gopal Khimbaja, who helped me by giving invaluable suggestions and providing me guidelines for completion of thesis. I have no words to express my gratitude to him for his untiring help and valuable advice.

I wish to acknowledge my sincere gratitude to all the staffs of Securities Board of Nepal and Nepal Stock Exchange for their kind help in providing various books, sources of data and other information for this study. It is also necessary to thanks T.U. library for their cooperation by providing reference books, journals and dissertations.

I am also thankful to the unforgettable encouragement and company of my friend Mita Maharjan, my brother Kabindra Shakya and sister Rashmi Shakya also deserves sincere thanks for their cooperation and support during research time.

Finally, I pay my sincere obligation and gratitude to all the respected teachers and staffs of my college who have provided a great deal of knowledge and ideas for existence of this output.
