ACKNOWLEDGEMENT

This Thesis report has been prepared to fulfill the partial requirements for the degree of Masters of Business Studies (MBS) of Tribhuvan University. For this, I would like to acknowledge the effort of office of the Dean, Faculty of Management, T.U., for offering such a great course in our syllables to enhance the quality of management education in the country.

For this little piece of work, I would like to express my heart-felt gratitude to my respected Associate Professor Ruchila Pandey of Shanker Dev Campus for her grand support, encouragement and patience up to accomplishment of report.

Similarly, I would like to pour my sincere words of gratification to my friends Prakash Dhakal, Rajan Phuyal, Dilip K. Uprety and Gopal Krishna Acharya from Securities Board of Nepal for their co-operation and great support in providing the data.

I am also grateful to all the staffs of Nepal Investment bank, Card Center, Anup Pandey, Binaya Pyakurel, Upendra Joshi and Prabhat Bikram Rana for their help and keen concern in thesis accomplishment.

Last, but not least, I would like to share my deep love and indebtedness to my mother Bhagwati Gyawali, my brothers Madhav Gyawali & Shanker Gyawali for their immeasurable support's, love and inspirations in my every walk of life. Moreover I would also like to thank to my sister Sharmila Parajuli who helped me in designing this thesis.

Kashi Nath Gyawali
