ACKNOWLEDGEMENT

This thesis entitled **An Analysis of Relation between Saving, Investment and Capital Formation in Nepal** for partial fulfillment of the Degree of Master of Business Studies has been prepared with full commitment from my side and I have tried my best to prepare this study with the help of some respectful teachers and friends.

I would like to express my heartiest gratitude and sincere thanks to my thesis honorable Supervisor Shashi Kant Mainali and Kiran Raj Panta, who encouraged me from initiation to completion of this task with his scholar guidance and profound comments and suggestion.

I would like to express hearty thanks towards all the members of my family who provided regular inspiration and continuous contribution for my success. I would also like to thank staffs from the Statistical Department of Nepal Rastra Bank who helped me with various data and statistics required for my thesis.

At last I would like to thank those known and unknown sources of help, support and encouragement.

Pramod Verma
