ACKNOWLEDGEMENT

My deep gratitude goes to the following people for their help with this dissertation.

First and foremost I am very grateful to my supervisor Mr. Jailab Kumar Rai, Lecturer, Central Department of Sociology/Anthropology for his guidance to help me structure this dissertation. His valuable feedback, advice and suggestions were helpful to me to improve the quality of this dissertation and exist in its entirety because of knowledge I acquire in the past two years from the Department of Sociology and Anthropology. I hereby thank all the members of the Department.

I would like to thank my external examiner, Mr. Prem Chalaune for his constructive criticism.

I highly indebted to the people of Yangnam community for their Kindness and cooperation while carrying out my field work there.

Finally I would like to thank my friends and family who have always provided support in any endeavors I have undertaken.

Tika Devi Jabegu
