ACKNOWLEDGEMENTS

First of all, I would like to express my hearty gratitude to my respected supervisor Prof. Dr. Bijaya Shrestha, Professor of Central Department of Economics, TU, Kirtipur, Nepal for her scholarly and constructive guidance, inspiration, support, suggestions and valuable time to bring out this dissertation. I would like to express sincere gratitude to all professors, staff and friends of CEDECON, TU, who have helped directly and indirectly in preparing my dissertation.

I am especially grateful to Bhanu VDC, Tanahun for providing various documents and information for this study. I am also thankful to the women of the study area for providing me real information, valuable time and their warm co-operation during the study period.

I would like to extend my deep gratitude to my husband Mr. Ramkaji Shrestha, sister Sharmila Malla and daughters Riya and Jasmin and all the family members who inspired me to complete this dissertation.

Sushila Malla
