## ACKNOWLEDGEMENTS

*First of all, I would like to thank Tribhuvan University for giving chance to prepare the thesis for a partial requirement to the fulfillment of M.B.S. program held under Tribhuvan University.*

*I wish to express my deep respect and profound gratitude to the respected supervisors Mrs. Snehalata Kafle and Mr. Govind Thapa Lecturer, Shankar Dev Campus for thesis support, encouragement and valuable guidance throughout the period to bring the quality in the research. Their observations, comments and suggestion at different stages of this study led to bring this thesis in this shape.*

*I also owe an indebtedness to all reputed authors whose writings have provided me the necessary guidance and invaluable materials for the enrichment of my research paper in all possible ways. I would like to express my genuine appreciation to all the staff of Shankar Dev Campus, Central library staff, Staff of Concern Banks that provide me necessary information & data. And also express my gratitude to my friend Mr. Parmanand Khanal and Mr. Deepak Kunwar for providing support during the preparation of this thesis.*

*My deepest gratitude goes to dad, mum, my family members, close relatives and friends for their inspiration and support in addition to generous guidance in bringing this research in this form as well as creating favorable environment to add value in the research. I would like to thank everybody associated with the research in the course of completing the research in this shape.*

*Finally, I am positive and confident about the utilization of the research in course of adding value in the related field.*

*Satish Shah*
