ACKNOWLEDGEMENTS

This thesis work has been prepared as a partial fulfillment of requirement for the Master of Business Studies (M.B.S). This is the result of my original study and research. However, I will not be able to justify my work without acknowledging. Those who have significantly contributed in completing this thesis.

I owe special thanks to **Prof. Dr. K.D. Manandhar** (Assistant Dean) & **Mr. Kiran Thapa** my thesis supervisor, without whose contribution I would have never completed my thesis.

I also had the privilege of getting co-operation from various personalities. I wish to express sincerest thanks to all my friends & well-wisher who provided valuable co-operation in my efforts.

Finally, I hope this painstaking task will serve as a stepping stone to the student of business studies and to those who wish to make further researches under this topic.

Thank You.
