## ACKNOWLEDGEMENTS

I would like to extend my profound gratitude to my respected and honorable teacher Mr. Sabindra Raj Bhandari, teaching assistant in English, P. N. Campus, who, as my advisor, provided me with constructive comments, suggestions and helped me to give the final shape to this study. This dissertation would never have appeared in its present form without his kind and invaluable guidance.

I am equally thankful to Dr. Man Bahadur K. C., the Head of the Department of English, P. N. Campus, for his genuine concern for my thesis. My respected teacher Mr. Shyam Paudel deserves my appreciation because his support was indispensable in realizing my undertaking. My heartfelt thanks also go to the lecturers of P. N. Campus, who always provided me with an amicable environment while attending their lectures, and consulting them whenever I was in need of some kind of help.

In addition to this, I am thankful to my friends Pasupati Baral and Shiva Kaphle for their assistance in one way or other in the duration of this research writing.
