PREFACE

I owe a deep debt of gratitude to Mr. Sanjay Kumar Shrestha, lecturer, Central Department of Management, Tribhuvan University, Kirtipur, for his constant encouragement, patient guidance and valuable supervision at every stage of my work. This work would not have been materialized at the present form without his incisive observations and intellectual direction in the course of completion.

I gratefully acknowledge to Prof. Dr. Head of the Department, Central Department of Management, Prof. Dr. Jay Krishna Pathak, Head of Research Committee; Dr Radhe S. Pradhan, Professor of Central Department of Management, Mr. Rishi Raj Dawadi and Mr. Mukunda Prasad Rimal, Assistant Administrations of Central Department of Management, T.U., Kirtipur, and to all my respected teacher of Central Department of Management for their suggestion and co-operation which enabled me to finalize this thesis.

I am equally grateful to librarians of T.U. Central Library, Department Librarians for their help and also I would like to extend my gratitude to all the staff of the responding banks for solving my quires without which it would be a difficult for me to complete this thesis.

I am thankful to all of my friend for their corrective suggestions especially to Mr. Hari Pandey, Mr. Diwakar Rijal, Mr. Hari Regmi. I would like to thank especially Mr. S.P. Aryal who assisted me in secondary data analysis and every steps of the work.

I would like to thank Jee Computer Center, Kirtipur for beautiful computer printing and setting.

Finally, I must express debt of gratitude to my whole family and relatives for their continuous support in my efforts.

I hope, this small effort of mine will be of great value to those who are involved in "*A Comparative Study of Financial Performance of Nepal*

Investment Bank Limited and Everest Bank Limited" and all the other future researchers of their area of managerial finance.

I apologize for any errors committed in this work.

It was a great experience of doing a thesis work which certainly I helped me to gain deep knowledge in the subject mater. Though it was very difficult to get data and information, it was pleasant feeling to accomplish the thesis work finally.
