ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to Associate Prof. Tej Ram Poudyal for his in valuable suggestions, guidance and genuine co-operation. It would not have been possible for me to complete my study without his supervision, advice and direction.

I would like to extent my personal appreciation to Prof. Dr. Rudra Prasad Upadhyaya Head of the Department and other teacher of Central Department of Economics for providing invaluable suggestions. I would also like to appreciate to different organization, institution and individuals who helped me in this matter.

Finally yet importantly sense of respect goes to friends and relatives who inspired me study economics and provide their co-operation. I fully appreciate my friends Harka Hamal and Kamal Gyawali for their kind help and inspiration.

Finally, I have to say to alone bear the full responsibility for any errors and discrepancies that might have occurred in this research work.

Dhruba Hamal
