ACKNOWLEDGEMENT

I express my profound gratitude to my supervisors Krishna Prasad Acharya and Sajeeb Kumar Shrestha of Shanker Dev Campus for their valuable comments with continuous guidance and kind support to me all the way in this thesis and thankful to all my friends and well-wishers especially for their advice, constant support and motivation to finish the research.

My thanks also goes to all the librarian staffs of Shanker Dev Campus, Tribhuvan University who generally provided required books and other materials which help me in preparing this thesis report. I am also thankful to the staffs concern banks for their kind support. I would like to give heartfelt thanks to my friends for helping me in preparing this report and providing suggestion as well. Let me offer my profound gratitude to my parents, for their continuous support and help without which this work would be impossible. I am equally thankful to all those personalities who are directly and indirectly involved in conduction this research and associated with me in different capacities for their help, suggestion and encouragement.

I have tried to cover all the possible matters that I felt, important to sum up the *"Risk and Return on Common Stock of Listed Commercial Banks of Nepal (With Reference to SCBNL, EBL and HBL)"*. I am hopeful that this task will be helpful to the students of business studies and to those who want to make further researchers under this topic.
