Date: 14 December, 2011

ACKNOWLEDGEMENT

I am very thankful to them who gave me strange and regular support to complete this thesis.

I would like to express sincere gratitude to my supervisor Mr. Babu Ram Karki, lecturer Central Department of Economics, Tribhuvan University (CEDECON), for his constant encouragement, guidance and supervision of my research work. This research paper is the result of his various comments and suggestions. I wish to provide my deepest gratitude to Prof. Dr. Rudra Prasad Upadhyay; Head of Department, Prof. Dr. Devendra Prasad Shrestha, External supervisor and all my respected teachers of CEDECON, T.U. for their valuable comments, suggestions and guidance in the study.

I would also like to express my gratefulness brother Mr. Prem Raj Khanal for checking and correction my English writing and Gratefulness to my parents and all the Family members who always supported and encouraged in my student life.

At last but not the least, I would like to provide thanks to my friends Hari Krishna Upadhyay, Bed Timilsena, Shreeram Tharu, C.P. Rijal, for their, humble cooperation and suggestion.

Dharma Raj Khanal
