ACKNOWLEDGEMENT

I would like to express my profound gratitude to Mr. Tej Prasad Subedi, my thesis supervisor for his continuous guidance, suggestions and valuable help throughout the research process. I extend my sincere thanks to Head of the department for giving me the opportunity to conduct the study and help for the completion of the study.

I would like to extend my gratitude to Mr. Bal Krishna Bhusal , Chief , District Health Office Palpa who provided me to valuable suggestions for this study. I express my great appreciation to the librarian of SAARC Tuberculosis Center, Thimi, Bhaktapur, for providing me many related literatures in my research.

I would like to express heartiest thanks to Mrs. Pradita Lakaul and Mrs. Kamala Khanal who worked as interviewer to gather the information from the respondents. Without their active support this work would have incomplete. I would like to express to thanks to all informants for their valuable time and response.

I am thankful to my family members whose encouragement and support sustained me throughout my study. I would like to dedicate this work all TB sufferers who inspired me to study this area.
