ACKNOWLEDGMENT

I am extremely grateful to my Thesis Advisor Dr. Kundan D. Koirala, Reader of Marketing Management at Central Department of Management (Tribhuvan University, Kirtipur, Kathmandu.), whose kind co-operation, valuable suggestions, encouragement and proper guidance helped me to complete the thesis.

I am indebted to the officials of 'Nepal Transport Corporation' who kindly permitted me to conduct study on 'Janakpur Railway'. I am also equally grateful to the officials and workers of 'Janakpur Railway' for their kind co-operation and appreciable help. I would like to give thanks to all gentlemen who replied my all questions enthusiastically and without hesitation despite their busy schedules.

I am thankful to my teachers, friends, and family members who encouraged and helped me, both directly and indirectly, during the course of this study.

Finally, I should also like to thanks Meu-Pie Computer Center, Naya Bazar, Kirtipur, Kathmandu, for meticulous typing.
