Acknowledgements

First of all I would like to express my sincere gratitude to Mr. Phaindreshwar Paudel, Associate Professor of Sociology, Tribhuvan University, Kirtipur, who always provided his full support and able guidance as the supervision of the study. Without his constant supervision, intellectual guidance and suggestion this dissertation would never have taken its present shape. I would like to thank Dr. Tulsi Ram Pandey for his valuable comment as the external teacher. I would like to express thanks to Dr. Om Gurung, Head of the Department of Sociology \ Anthropology to carry out this work.

I express my deep sense of gratitude to all children who help me during my data collection.

I am especially grateful to my entire friends and to my seniors for their help and cooperation in preparing this dissertation. Last but not least my heartfelt thanks and gratitude to my family members for giving me the much needed encouragement and positive attitude.

I equally wish to extend my appreciation and thanks to external teacher as well as the members of Department for their useful contribution toward completion of this dissertation.
