ACKNOWLEDGEMENT

First of all, I would like to acknowledge Tribhuvan University and its policy-making unit for providing this opportunity. During the course of undertaking this study, I was fortunate enough to receive help from various persons. I am indebted to all who helped directly and indirectly to complete this study.

I am grateful to, Campus Chief Mr. Kamal Deep Dhakal of Shanker Dev Campus for his and suggestions. I regard it as my dispensation and providence to get an opportunity to work under the admirable supervision of Mr. Shankar Raj Joshi, Lecturer of Shanker Dev Campus. He motivated me and I had his exclusive consideration and guidance all the time throughout the entire study period. Words fail me in expressing my gratitude to him. I would also like to express my sincere gratitude to Shanker Dev College's administration staffs for their cooperation.

I express my heartfelt gratitude to my parents, brother and sister who always encouraged and supported me to complete my higher education.

Finally, I would like to express my sincere thanks to my friend Mr Sajan Shrestha for his utmost support during the thesis writing.

I am solely responsible for any errors or omissions in the thesis.

Thank you.
