## **ACKNOWLEDGEMENTS**

As the partial fulfillment of the MBS degree, I have prepared this report. During the course, I worked with sincerity, honesty and diligently, as far as possible. But beside my continual efforts, I also got unforgettable support from different people and parties. I am extremely grateful and overwhelmed by their support while completing my work.

I would like to express cordial gratitude to all my teachers, who taught me up to now. For this dissertation, I would like to extend special thanks to thesis supervisor, Dr. Bihari Binod Pokharel, Associate Professor and Head of Research Department as well as Mr. Dipesh Bhatta of Nepal Commerce Campus. Despite his busy schedule, he has made significant contribution for preparing this thesis. I am extremely indebted by his efforts.

I am very much grateful to the officers of sample banks, finance companies , SEBO and NEPSE for their kind co-operation for my research work. It was a great opportunity for me to learn things from them where I could secure valuable experience.

I would also like to express my gratitude to all other members of Nepal Commerce Campus, especially, staffs from MBS department, libraries staffs as well as I would like to express heartfelt thanks towards all the members of my family who provided regular inspiration and continuous contribution for my success.
