ACKNOWLEDGEMENTS

This study is primarily concerned with Analytical Study of Administrative Aspect of Income Tax System in Nepal.

I am extremely indebted to my Thesis Supervisor Dr. Prakash Neupane, Nepal commerce Campus, Tribhuvan University for his generous encouragement and undertaking of the supervision of my entire research work. This form of the report is the result of his continuous encouragement, many helpful suggestions and comments.

I am very much grateful to Head of Research Department Dr. Bihari Binod Pokhrel and my other respected teachers of Nepal Commerce Campus for providing invaluable suggestions, information and comments.

My special thanks goes to library member of Nepal commerce campus, Shankar Dev Campus, Central library Tribhuvan university and national library for providing necessary materials regarding my research.

I wish to express my appreciation to all respondents for their suggestions and comments. All respondents are thankful for their suggestions and responding my questionnaire.

Similarly, I am thankful to my friends Gunanidhi Bhusal Nawaraj Paudel and Punya Prasad Bhattra for their cooperation, inspiration and encouragement.

Efforts have been made to avoid all types of errors and mistakes. I apologize for any known and unknown mistakes that I have made in this research work.

lastly, my heartfelt thanks goes to my family members for their warm inspiration and help in many ways.

Prem Prasad Neupane
