ACKNOWLEDGEMENTS

This thesis entitled **“Child Labor in Restaurants And Teashops: A Study In Lagankhel Buspark Area, Lalitpur District”** has been undertaken into study as a partial fulfillment of the requirements for the degree of Master in Arts Sociology (M.A). I cannot stay without mentioning the names of those individuals without whose supports, advise, encouragement and motivation this study would have not been completed. In this regard, I would like to express my deep gratitude to all of them.

First of all, I would like to extend my sincere gratitude to Dr. Keshab Kumar Shrestha, Associate Professor of Anthropology, T.U for his encouragement, supervision and invaluable suggestions throughout the accomplishment of this research.

Similarly, I would like to offer special thanks to all the respondents and employers of restaurants and teashops for providing their valuable time and essential information during the field work. I am also grateful to my friend Srijana Upreti for her support in field survey and computer work.

And finally, thanks to my parents and family members for their constant love and support towards me, my education and progress.
