Acknowledgements

I am deeply indebted to a number of people whose support was invaluable while working on this research.

Especially, I would like to express my sincere gratitude to my most respected teacher and advisor Khem Guragai for providing me creative guidance and continuous instructions without whose support this dissertation could not have not have taken this form.

I am grateful to all my respected teachers of the Department of English, who provided constructive guidelines in different measures from the beginning till the end of my research work.

I would also like to express my thanks to all my classmates for providing inputs in different ways to widen understanding in the field of this subject.

I also want to extend my thanks to my brother Bharat Banjade who has afforded me a lot of time in collecting and arranging all the necessary materials of this work.
