ACKNOWLEDGEMENT

I take this opportunity to express my sincere gratitude to Associate Professor Dr. Tej Ram Poudyal at Central Department of Economics for providing me idea to complete this thesis. I'm obliged to him for his guidance as well. It would be almost impossible to present this dissertation in this form with out his guidance and supervision.

I would always remember the people of syangja, the staff member of the RSC, standing committee of RSC and the director Mr. Dol Raj Subedhi from whom I always learned during my entire field work. Their enthusiastic participation, friendly behaviors had always inspired me to move ahead.

The staffs of the respective Municipality, VDC are highly thankful for their constructive aid and the staffs of DDCs are always remembered for their support to provide me the valuable information.

I am also indebted to library staff of different institution namely Central library, CMF library, NRB library and Martin Chautari.

Finally, I am thankful to all the people and my friends who encourage and support directly or indirectly to complete this dissertation work.

Mr. Deepak Kumar Chhetri
