ACKNOWLEDGEMENT

This thesis entitled “The Dividend Practices of Insurance Companies in Nepal” is concerned with the earnings or profit distribution to the shareholders by the insurance companies with the orders of its board of directors.

I wish to express my deepest gratitude to my supervisor Mr. Bijaya Prakash Shrestha, Associate Professor of Saraswati Multiple Campus for the innovative, valuable and indispensable guidance generously provided by him. His kind co-operation and support in completing this thesis is most appreciated.

I would like to extend my special debt of gratitude to the chairman of the research committee Mr. Keshav Raj Pantha and the campus chief Dr. Hem Raj Subedee for their kind co-operation and sincere support in writing the thesis.

In preparing this thesis the information and data has been obtained through the courtesy of Insurance Companies, Stock Exchange and Security Board. I am indebted to the respective staffs and Librarian for furnishing such useful data without which the completion of the thesis would not have been possible.

I am equally grateful to the respected teachers and library staffs of Saraswati Multiple Campus, specially Mr. Narayan Aryal and Mrs Ratna Kumari Shrestha for their kind cooperation and valuable suggestions during the analysis period.

Thanks are also due to my family members and friends for their unstoppable encouragement and untiring efforts in seeing the undertaking to its completion.

Advices and suggestions for further improvement shall be highly welcome and gratefully acknowledged.
