## ACKNOWLEDGEMENTS

I am greatly obliged to my honorable research supervisor **Mr. Rewan Kumar Dahal**, Lecturer for his continuous guidance and support. At each point in the passage of the research, I have been duly enthused by his expertise and ability to tune finely a raw student like me. I disturbed him most of the days during the thesis writing period. I owe special thanks to **Dr. Bihari Binod Pokharel**, Associate Professor for his invaluable ideas that escorted the research work to this level. Similarly, I am equally grateful to Mr. Roopak Joshi for his high level suggestion and guidance in editing thesis paper leading to its present form.

A special thanks goes to my brother Mr. Kishor Pradhan, Assistant Production Manager of UCIL for inspiring and motivating me to write thesis on UCIL.

Then, I would like to thank my entire family especially to my wife who has been a great inspiration to complete the research. I would also like to express my gratitude to my friends Jeewan Giri, Rajesh Dhaubanjari and Ram Prasad Kusma who helped me and gave invaluable ideas during the thesis writing period.

Thanks.
