ACKNOWLEDGEMENTS

First of all, I am grateful to Dr Bihari Binod Pokahrel, Chairperson, Research Department, Dr. Prakash Neupane, Thesis Supervisor of Nepal Commerce Campus, New Baneshwor, for the patient guidance, constant encouragement and valuable supervision at every step of my research study. Without such guidance, this work may not be completed in this shape. So, again, I would like to express gratitude to him for his meticulous care.

I am indebted to all the lecturers and professors of Nepal Commerce Campus, who helped me directly or indirectly in bringing out this thesis work. Moreover, I want to express thanks to all reputed authors whose writings have provided me the necessary guidance and invaluable materials.

I would also like to extend my heart-felt thanks to officers and staffs of Nepal Stock Exchange and Securities Board of Nepal for their support by providing relevant data.

Similarly, I would like to express my debt of gratitude to my friends Mr. Jagadish Pyakurel, Ms. Bidhya Baruwal and Mr. Bibek Adhikari for their continuous inspiration and valuable support during the thesis work period.

Needless to say "error is human" and I can not be the exception, So I apologize for any errors and mistakes committed. I hope the possible errors would be covered by subsequent studies in future.

I am hopeful that this painstaking task will serve as a stepping-stone for the concerned authorities, students and researcher.

Finally, I would like to offer special thanks to Mr. Bibek Adhikari for computer typing of this thesis.

Last but not least, I express my sincere gratitude to all staff of Central Library, Kirtipur, Rastra Bank Library, Baluwatar for their cooperation and encouragement throughout the thesis preparation period.
