## ACKNOWLEDGEMENT

The research “**Liquidity Management of Commercial Banks in Nepal**” has been prepared for the partial fulfillment of the requirement for Master’s Degree in Business Studies. This study mainly evaluates the liquidity status of commercial banks which significantly contributes to manage the liquidity.

In the first place I would like to record my gratitude to **Dr. Prakash Neupane**, Nepal Commerce Campus, Tribhuvan University for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. I am profoundly grateful for his intellectual suggestions and encouragements. His truly intuition has made him as a constant oasis of ideas and passions in management, which exceptionally inspire and enrich my growth as a student, a researcher and a management professional that I want to be. I am indebted to him more than he knows.

I gratefully thanks to Lecturer **Mr. Manoj Bhattarai** for his great support. Many thanks go to **Ms. Heena Kharel** (SCBNL), **Mr. Prabin Pradhan** (HBL), **Ms. Dina Lama** (NIBL), **Mr. Narayan Ghimire** (NABIL) and all other bank professionals for their precious time and suggestions.

I would like to express my gratitude to my family for their support, encouragement and co-operation in my academic pursuit. Many thanks go in particular to my friends. I am much indebted to them for their valuable advice, support and furthermore, using their precious times to read this thesis and gave their critical comments about it.

Last but not the least, I would like to express my heartiest thanks to my husband **Mr. Sandesh Bhattarai**, who always kindly grants me his time and constant support and assistance to complete the study.
