## **ACKNOWLEDGEMENTS**

This research work entitled "**Income Tax Problem of Manufacturing Industries Situated at Nepalgunj Industrial Estate**" is Master's Degree thesis prepared to fulfill the partial requirements of the Master of Business Studies ( MBS), Tribhuvan University , Nepal. The main objective of the study is to examine the contemporary Issues, present status and future prospects of Income Tax. The study also explores the recommendations for effectiveness of Income Tax.

To complete this work, I have got a lot of support and inspiration from family members, friends, colleagues, office staffs, relatives, and respondents. It makes me easier during the thesis writing. I am always indebted these supporter.

I would like to express my sincere thanks to my thesis supervisor Mr. Naba Raj Adhikari for his co-operation and valuable guidance during the whole period of thesis work. Similarly, I would like to thank respected teacher Mr. Mukesh kumar Gupta, Mr.Chakra Bahadur Bom for valuable suggestions. Finally, I express my deep thanks Sabin Luitel of New Lumbini Pustak Pasal, Nepalgunj who helped to provide computer typing properly and timely.

I wish to express appreciation my dearest life partner Mrs. Sarmila Sharma. She always gives time, supports, comments and suggestions. Similarly, my special thanks go to my sister, Radha Singh who helps me to collect thesis materials and gives feedback to accomplish this study.

Precautions have been made to avoid all forms of mistakes. But, I apologize for any unknown errors that I have made in this research work. Finally, my heart-felt thanks go to all my office staff, family members and relatives for their helps in many ways.

Thanks
