Acknowledgement

I would like to express my gratitude to my Thesis Supervisor Mr. Surya Bahadur Rana, Lecturer, Lumbini Banijya Campus, Butwal, for his support, patience, and encouragement throughout my studies. It is not often that one finds an advisor that always finds the time for listening to the little problems and roadblocks that unavoidably crop up in the course of performing research. His academic and editorial advice was essential to the completion of this thesis and has taught me innumerable lessons and insights on the workings of report in general.

My special thanks also go to my brother, Mr. Mukunda Mahat, CA of Nepal Rastra Bank, for providing many valuable comments that improved the presentation and contents of this thesis.

I am, with great diligence and ingenuity, also grateful to staff members of Nepal Rastra Bank for helping considerably by providing required information.

I am also very much indebted to the staff of Lumbini Banijya Campus Library, for doing me real favour by providing references books, journals and dissertation.

Last, but not the least, I would like to thank my family for their support and encouragement what made this report possible. My parents receive my deepest gratitude and love for their dedication and the many years of support during my graduate studies that provided the foundation for this work.
