ACKNOWLEDGEMENTS

While conducting this research, I have received various suggestions, advices and encouragement from seniors, teachers, friends and relatives. I would like to express my cordial gratitude to my respected research supervisors **Dr. Prakash Neupane** and **Mr. Mahendra Aryal** for their scholarly supervision, tireless contribution with most valuable guidance and instruction to give the shape of thesis in its present form.

I am thankful to library staffs for their help and co-operation. I also want to pay my heartily thanks to all the staffs of Securities Board of Nepal, for their great contribution and co-operation to provide all the required data and information to conduct this study.

I express my deep gratitude to my husband, Mr Dhruva Raj Koirala and remaining family members, who helped computer formatting and spent their valuable time and efforts and sacrifice to my carrier development. I would also like to thank to all my nearest friends, especially Benu Madhev Bhattraï, for their co-operation and encouragement to complete this thesis.

At last, I would take full responsibility of any error or mistake on this thesis.

Devi kumari Bhusal(Koirala)
