ACKNOWLEDGEMENT

This research study on "**Stock Market Growth in Nepal**" has been prepared to fulfill partial requirement of master in business studies program. For this, I am greatly thankful to the management faculty of Trivhuvan University for preparing this writing a compulsory in our course.

This study has been carried out under the supervision of Dr. Puspa Raj Sharma, head of research committee of management faculty of Prithvi Narayan Campus. I am extremely grateful to his courage and advice by providing valuable time, knowledge and kind help.

I also acknowledge all of my friends for their help in different ways. I am greatly thankful to the staff of Security Board Nepal (SEBO) and Nepal Stock Exchange (NEPSE) for providing required data during the research period. I am equally thankful to all the investors, students and lecturer for providing valuable data along with their suggestions. Lastly, I would like to express my sincere gratitude to all the staff of Prithvi Narayan Campus for their Co-operation and encouragement through out the preparation of the report.

I hope the possible errors would be covered by the subsequent studies in this field in the future.

Tara Nath Poudel
