## **ACKNOWLEDGEMENT**

While working on research, it gave me immense opportunity to understand rural farm community and their agricultural aspects from the sociological point of view. In completing this research I have got number of cooperation from different sectors and personalities. So, I couldn't forget my moral responsibility to remember them in this moment.

First of all, I would like to express my heartfelt gratitude to Mr. Phanindreshwar Poudel, Associate Professor, Central Department of sociology / Anthropology T.U Kirtipur for supervising the research work, valuable suggestions and guidance.

Secondly, I would like to thanks to the staffs, technicians of District Agriculture Development Office (DADO), Syangja; Agriculture Service Center (ASC), Galang and other organizations for their kind help to complete this research work. Likewise, I would like to thanks to the farmers of study area who support me on the study period by giving their invaluable information.

Finally, I am thankful to Mr. Raju Ghimire and Mr. Biplav Adhikari for the management and moral support during data collection and report preparation.

Rajendra Babu Ghimire
