ACKNOWLEDGEMENTS

The main purpose of this thesis is for the partial fulfillment of the Degree of Master of Business Studies. Basically, this thesis shows the financial position of Dairy Development Corporation. In the course of preparation, I receive lots of guidelines, suggestions and continue support from my teachers, friends & staffs of Dairy Development Corporation.

My appreciation goes to the staffs of Nepal Commerce Campus and Shanker Dev Campus library for their assistance and friendly behavior. I am extremely grateful to my teachers and seniors whose ideas, previous works that helped me a lot to accomplish this job easily.

I would like to pay my sincere thanks to my thesis supervisor Dr. Prakash Neupane for his guidance, suggestions, supervision, correction and continuous support to execute my job & Prof. Dr. B.B. Pokharel, chairperson, Research Department, of Nepal Commerce Campus for his valuable co-operation.

Last but not the least; I would like to pay my sincere gratitude to Mr. Rabin Karki for his invaluable time and inspiration..
