ACKNOWLEDGEMENT

I have taken this opportunity as a challenge and justice all the objectives of the study. I am grateful to present my study among the scholars, professors and readers.

I like to express my heartfelt gratitude toward my respective teacher Lecturer Dr. Sateesh Kumar Ojha, who has heartily supervised this study and helped me in each and every step of the study giving me all the inspiration for conducting the study. I owe him thanks also for his kind consideration and valuable time given to me to make this dream materialized in short time.

My special thanks goes to my respective teachers Mr. Shiva Raj Ghimire, Mr. Kul Prasad Aryal, Associate Professor Mr. Bijaya Prakash Shrestha, Lecturer Mr. Suresh Wagle, Associate Professor Mr. Bishow Bilash Joshi and Associate Professor Mr. Keshab Raj Pantha all of the Saraswoti Multiple Campus for the background knowledge, advice, and time to time inspiration to undertake the study. I feel so fortunate to have such inspiring teachers.

I would like to extend a special thanks to my dear friend Mr. Madhu Paudel for his co operation and helpful behavior. My thanks also goes to the co-operating staffs of the Saraswati Multiple Campus, who helped me in the preparation of the thesis.

Finally I would like to express debt of gratitude to my family members for their direct and indirect support during the entire period of the study.
