ACKNOWLEDGEMENT

This thesis on **TREND AND STRUCTURE OF PUBLIC EXPENDITURE IN NEPAL** would have never been possible had **Associate Professor Tej Ram Poudel**, my Supervisor not helped with a great inspiration and guidance, my veneration to him.

I would like to express my gratefulness to **Prof. Dr. Komal Dhital**, Head of the Central Department of Economics, who provided me the opportunity to write this thesis.

My veneration goes to all my respected teachers and personnel of CEDECON who conveyed their timely and significant suggestions for this dissertation both at formal and informal meetings. I would also like to appreciate to different organizations, institutions and individuals who helped me in this matter.

I would like to express my gratitude and appreciation to friends Birendra , Tika and Dipak and my father Padam P. Subedi , Mother Laxmi Devi Subedi and special thanks to my wife Dipa for their genuine support to complete this thesis.

Despite my utmost care and efforts, I bear the full responsibility for any errors and discrepancies that might have occurred in this study report.

Dinesh prasad Subedi
