## **Acknowledgements**

The author is highly grateful to thesis supervisors, Associate Professor Mr. Kamal Das Manandhar and Lecturer Mr. Shiv Pokherel for their constant support & able guidance throughout the study period, encouragement and valuable suggestions they have provided to make this study complete and fruitful. It would not be possible to complete the study without their support. I would also like to express my warm thanks to Dr. Geeta Pradhan for her kind help to complete my thesis report.

I am also grateful to the staff members of NABIL Bank, and an investment bank for their co operation in providing necessary information. I would also like to thanks to staffs of library and administration of Shankar Dev Campus who helped me directly and indirectly in this thesis work.

Similarly I would like to thank to my brother Mr. Ram Sharan K.C. and friend Mr. Priya Raj Regmi for their help to collect data and typing of this thesis and other inspiration and encouragement.

Lastly, the author is thankful to all collogues, well wishers and various organizations & institutions who have extended their generous support to complete this thesis work.

Thank you.
