ACKNOWLEDGEMENT

This thesis entitle “A study on marketing on bricks” has been prepared in partial fulfillment for the degree of Masters of Business studies (MBS) under the supervision of Mr. Baburam Singh Thapa, lecturer. It is my privilege of getting help and co-operation from different persons. It is not possible to enumerate the names of all of them. However, it will be matter of injustice if I forget the names of these personalities whose valuable suggestion and co-operation escorted to complete this thesis report.

First and foremost, I would like to offer special thanks to Mr. Baburam Singh Thapa for his proper suggestions. I would like to thank all the owner of brick factories for their full support in providing all the necessary data, which helped in preparing this thesis report. I could not remain without thanking to my teachers and lectures who all helped me during my study of MBS and during preparation of this thesis report. I especially appreciate my father Raja Ram Karanjit and brother Gaurab Karanjit and rest my family who always created the environment for my success.

I am thankful to the librarians of central Library, TU kirtipur for providing me with related books and thesis and the entire teacher involved these who made me capable of writing this thesis. I alone am responsible for whatever weakness it may still contain.
