## ACKNOWLEDGEMENTS

First of all, I would like to thank Tribhuvan University for giving chance to prepare the thesis for a partial requirement to the fulfillment of M.B.S. program held under Tribhuvan University.

I express my profound gratitude to my supervisors **Dr. Prakash Neupane**, for their patient and continuous guidance with valuable comments and kind support to me all way through this thesis.

I also owe an indebtedness to all reputed authors whose writings have provided me the necessary guidance and invaluable materials for the enrichment of my research paper in all possible ways. I would like to express my genuine appreciation to all the staffs of Nepal Commerce Campus, Central library staff, Staff of Concern Banks and Security Board library that provided me necessary information & data.

I have tried to cover all the possible matter that I felt, important to sum up the **Performance of Nepalese Initial Public Offerings**. I am hopeful that this task will be helpful to the students of business studies & to those who want to make further researchers under this topic.
