ACKNOWLEDGEMENTS

I am grateful to all the people and the organizations that have supported me throughout my study period .Without their support, this thesis would have remained incomplete.

I would like to pay genuine gratitude to my supervisor Associate Prof. Dr Pushpa Malla Shrestha of the Central Department of Economics(CEDECON), Tribhuvan University, for her supervision and continuous support .Likewise, I am very much grateful to Dr. Sohan Kumar Karna Associate Prof. of the CEDECON for his kind immense support and comments during my study period. I also feel privileged to express my gratitude to Prof. Dr Madhavi Singh Shah the head of the CEDECON and all my respected teachers for their gracious response to my queries. Their support, academic advice, comments and encouragements throughout the duration of my study at CEDECON have inspired every aspects of this study.

I am highly indebt to Mr. Satish Devekota (NEA), Mr. Deepak Adhikari and Mr. Shankar Acharya of NRB, Mr. S.P. Koirala (Ministry of Home/GoN), Mr Sher Thapa(GDBL) for the help provided during my research work. I thank all staffs of my department, Central Library T.U. and my colleague for their friendly co-operation and assistance.

It is my most pleasant opportunity to express my gratitude to my parents who encouraged me in this project with all the warmth and affection. I am equally indebt to my sister Sumana Mainali and brother Dr. Subarna Mani Dhital for their constant encouragement and financial support during my study period. My special thanks are also due to Mr Rajan Budathoki (Central Dept. of RD), Mr. Sunil Dahal (CEDECON) and Mr. Priyashwor Maharjan (Serve Photocopy and Computer Service) for their valuable support.
