## ACKNOWLEDGEMENTS

This is really an appreciable curriculum of T.U. because it helps the students to express their theoretical concept gained during the study period into the practical field. So, being concerned to thesis, I have also got a chance to express my theoretical concept gained from class and library study into this practical field. The present study “**Dividend Policy of Commercial Banks of Nepal**” has been prepared for the partial fulfillment of the requirement for Master Degree in Business Studies.

At first, I would like to pay thanks to my father and mother as well as my brother who headed me towards the light of education and path of truth. Due to their non-stopping effort for guidance, today I come in this position. So I would like to share the credit of my success with them. I’m really indebted by them.

After this, I would like to express my cordial gratitude to my all teachers. For this dissertation, I would like to pay my sincere thanks to my thesis advisor **Dr. Sushil Bhakta Mathema**, Head of Research Department Nepal Commerce Campus. His incessant suggestion and guidance from the beginning to the end is really an appreciable effort. I am extremely indebted by their efforts despite of their busy schedule.

I would also like to express my gratitude to all other members of Nepal Commerce Campus, especially, staffs from MBS department, libraries staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis. Similarly, I am very grateful to my respective friend Mr. Raju Luitel and special thanks go to Mr. Ramesh Shrestha for his computer work and technical support.

Last but not least I am greatly indebted by my all friends and family members. In this regard, I’m grateful to my friends for their motivational effort and support even though they have very busy hour.

Advices, Recommendations and suggestions are whole-heartedly welcome. Thanks,

**Padam Keshari Shrestha**  
Researcher
