## **ACKNOWLEDGEMENT**

**This thesis is prepared for the partial fulfillment of the requirement for the Degree of Master of Business Study (MBS) to the Faculty of Management T.U Kirtipur. Here I analyze the Budgeting, Profit Planning and Control (PPC) of Shree Raghupati jute Mill Limited (SRJML), with a view to examine the overall managerial performance within the conceptual framework of PPC. Comprehensive PPC has been regarded as one of the most important managerial device in the present era for the effective formulation and successful implementation of strategic as well as tactical plans of organization.**

**The reason for me to choose SRJML for this research purpose is because of its considerable and significant role in the overall economic development of the Nation and so of its population. My research paper is focused to follow the financial rules and regulation strictly for better inventory and has tried to analyze the SRJM present Management premised, existing strength and weakness and possible threats and opportunities within the limitation of the research topic. Further I hope that it will help the management of the industry for the effective implementation for budgeting and also to the scholar's and researchers in the field of Inventory Management.**

**First of all, I would like to express my deep depth of gratitude to my reverend supervisors Dr. Chandra Kishor Singh of R.R.M. campus, Janakpur dham (T.U) for kind and incentive guidance who inspired to complete the dissertation. I will always remember for his precious guidance, valuable directions, worth full suggestions and comments during the course of preparing the dissertation.**

**I would also like to express deep gratitude to all lectures, staffs at R.R.M. campus staffs of library. I also express sincere gratitude the assistance and co-operation provided by the staffs of SRJML during the research period.**

**Further I would like to thank to my beloved partners, my brother and father, whose investment helped me to achieve my academic qualification.**

**I also thank to the staffs of SRJML who provided me the valuable information, reports, documents, newsletter of the company. I also thank to all the professors, staff of the administration and lastly I specially thank to the T.U central library and its staff members.**
