ACKNOWLEDGEMENTS

I express my sincere gratitude and gratefulness to my supervisor Dr. Keshav Kumar Shrestha for his individual supervision and guidance. My thanks go to the entire family of Central Department of Sociology/Anthropology, Tribhuvan University for giving me rightful instruction and support during the study.

I would like to express my thanks to my sisters Laxmi Sharma and Nirmala Chapagai for their help in data collection. I would like to thank to all my teachers and friends who always encourage me to keep on the process. I cannot forget the respondents of the study who had contributed to my study giving their valuable information; and I would like to thank the all of them.

Finally, I would like to thank my parents- Mr. Binod Chapagai (father) and Ms. Durgan Chapagai (mother) who always insisted me to choose this subject and their support and assistance in each step of my study. Moreover, I would like to remember my husband Mr. Ganesh Chaulagai for his encouragement and support by letting me free to the study.

At last but not the least, I would like to thank all of them who had direct and indirect contribution to my study which made this endeavor a success.

Ms. Pratima Chapagai
