## ACKNOWLEDGEMENTS

This thesis is conducted for MBS program undertaken by Tribhuvan University. This study is an attempt to “**An Overview Analysis of Nepal Stock Market (Position, Performance, Problem and Prospect)**”. I would like to express my sincere appreciation to Nepal Commerce Campus, faculty of Management and T.U. for providing me the opportunity to study in this topic.

Throughout my study period, I gained lots of guidelines and suggestions from my teachers, friends and other company’s officials. Firstly, I wish to express my profound gratitude to **Dr. Bihari Binod Pokharel** (Chairperson of Research Department) and **Mr. Rajesh Gurung** (Lecturer). I am grateful for their valuable suggestion, intellectual guidance, encouragements and providing all kinds of help to complete this thesis.

I course of preparing this research I got an opportunity to meet, discuss and debate with various people. I have been benefited from such meetings. I would like to express thanks to my friends Jhalak Thapa and Ramesh Dahal for their continuous help and support during the entire study period.

I also acknowledge to the respondents of the questionnaire, staffs of security board of Nepal, Nepal Stock Exchange for providing necessary information and required data and also the library staffs of Nepal commerce Campus, T.U. central Library for their cooperation.

Last but not the least; I would like to express my heartiest thanks to my family members, sister, subrat for their kind help and supports during the study period.

Shyam Chandra Rupakheti
