ACKNOWLEDGEMENT

I am very much thankful to all those wonderful people whose valuable suggestions, inspirations and guidance have helped me in completion of this thesis. I would like to convey my deepest gratitude to all of them.

First and foremost, I express my sincere gratitude to my thesis supervisor Dr. Kamal Das Manandhar who helped me in bringing out the best work since day one. Without his in-depth supervision, guidance and suggestions, this report would not have been possible.

I shall always be indebted to my teacher Mrs. Indira Rijal who have always believed in me and encouraged me to go further.

My family deserves special thanks for their continuous support and encouragement that they have bestowed upon me on whose support I have been able to come this far.

I am also very grateful to all my colleagues, seniors, and friends who co-operated me in collecting the required data for this report. Especially thanks to the staffs of Nepal Rastra Bank and Ministry of Finance who help me in collecting different and essential materials to prepare this report.

Last but not the least, my friends Krishna Thapa, Binay Shrestha, Manohar Karki and Sabita Poudel who have always supported me and also helped in preparation of this report.
