ACKNOWLEDGEMENTS

The research work on Moving towards e-government evaluation of municipal e-government has been prepared to fulfill the partial requirement of degree of Master in Business Studies (MBS). I acknowledge the invaluable efforts and guidance given by the Professors at Shanker Dev College (SDC) to help me shape the research process and completion of this research work.

I am very much grateful to Mr. Mahendra Gopal Shrestha (Associate Professor) and Er. Shankar Nath Adhikary (MIS Subject Teacher) for his guidance during this research work from the very beginning. I am very much grateful to my all the professors who guided me in the MBS Program and trained me for invaluable management knowledge and research skills.

I also would like to thank the entire MBS Program administrative support staffs for their continuous support during the whole study period and making the environment comfortable with helpful hands. At this final moment of MBS Program, I would like to remember the support extended to me by my sincere friends during the whole study period with invaluable suggestions, resources and other critical information in those difficult times of the study.
