ACKNOWLEDGEMENTS

I am heartily thankful to Central Department of Economics for insisting and providing opportunity to write a thesis, which could enhance the capabilities of students in the field of research work.

I would like to express my sincere gratitude to Bhola Nath Pokharel, Associate Professor of Central Department of Economics, for his advice, encouragement and expert guidance, which proved to be highly importance throughout the smooth conduct of this study. I have no words to thank him from the core of my heart. I am immensely indebted to the Head of the Department, Prof. Dr. Madhavi Singh Shah for her constant encouragement and kind help in the course of the preparation of this dissertation.

I would like to express my sincere gratitude to my friend Chiranjibi Tiwari. I am solely responsible for any discrepancies and the errors that might have appeared in this thesis. I would like to offer my sincere thanks for my spouse Samjhana Giri (Aran).

Finally, my sincere thanks goes to all those who supported, inspired and suggested me in this endeavour.

Sharad RajAran
