ACKNOWLEDGEMENT

This research study “*A Comparison of the Financial Performance of Two Commercial Banks in Nepal (Special Reference to NABIL and HBL)*” has been carried out in partial fulfillment of Master’s Degree of Business Studies (MBS). During the course, I worked with sincerity and honesty, as far as possible. But beside my continual efforts, I also got unforgettable support from different people. I am extremely grateful by their support while completing my work.

Firstly, I would like to pay reverence to my family who headed me towards the light of education and path of truth. Due to their non-stopping effort for guidance, today I come in this position. So I would like to share the credit of my success with them. I’m really indebted by them.

After this, I would like to express my cordial gratitude to my all teachers, who taught me up to now. For this dissertation, I would like to pay my sincere thanks to my thesis adviser Asso. Prof. Ruchila Pandey of Shanker Dev Campus. Her incessant suggestion and guidance from the beginning to the end is really an appreciable effort. Despite of her busy schedule, her continuous support, suggestions and patience towards me to complete this thesis is really very worthy things. I would like to give my whole heartedly thanks to her for all her efforts.

I would also like to express my gratitude to all other members of Shanker Dev Campus, especially, staffs from MBS department, libraries staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis. My next thanks go to all the staffs of Nepal Rastra Bank who helped me in providing sufficient materials.

At last but not least I am greatly indebted by my all friends and family members who helped me directly and indirectly by sharing ideas, giving me encouraging and suggestions in writing this thesis and making it possible.

Niraj Thapa
