## **ACKNOWLEDGEMENT**

The objective of the dissertation was to find the socio-economic condition, cause & perception, future ambition and attitude towards job of Domestic Child Labor. Children and their employers cooperated during the field data collection, and I thank them all for answering my questions.

I would like to express my sincere gratitude to Mr. Madhusudan Subedi, Lecturer of Central Department of Sociology for his effortful guidance and valuable suggestions for conducting the study. I also like to acknowledge the staff of CWIN, ILO, Butwal Municipality, Central Department of Population Studies, Central Library and child related non governmental organization working in Butwal for providing me valuable literatures and data regarding my study area.

Finally, I would like to express my heartfelt aspiration to entire teaching staff throughout my academic career for preparing me in order to compete in such a competitive market.
